

Cremation

SOLUTIONS

It's what's above ground that matters! When opting for cremation, keep in mind that cremation is just a prelude to memorialization. Whether you are planning for a loved one, or your own memorialization, it is important to remember that opting for cremation does not eliminate the need to be memorialized - everyone deserves their name in granite forever!

The Beauty of Granite

A COLOR FOR EVERYONE!

WHY GRANITE?

Granite is one of the most durable types of rock found within the earth. It's distinctive beauty and timeless quality make it the perfect material for memorializing a loved one. Each piece of granite has it's own unique qualities, texture, color and tonal differences that symbolize the uniqueness of each and every individual.

Choosing a granite color is the first step in creating a personalized memorial. We're dedicated to offering you quality granite from the most dependable quarries around the world. We are proud to bring you a wide selection of colors to choose from as you plan for yourself or your loved one.
