“ Bro, remember the time way back when we dressed up and went to the mall after seeing SNL and we did the "Wild And Crazy Guys", we totally embarrassed the girls. And the time I came up to marry your sister and I woke up in the camper with a huge pot plant on my chest. Or the time in the winter we climbed Lincoln Falls completely covered in ice. Not sure how we didn't break our necks. Or the time we took the jeep up Bald Eagle Mountain in 4 feet of snow on Christmas Day, and almost wrecked over the side.

I could write a novel of our adventures. I miss you so much. This winter in Florida just won't be the same. I love you dude. See ya in the "Happy Hunting Grounds"

“ Dave you will be so missed. You were such a vibrant person who loved to joke around with everyone. You always gave us girls a hard time about the air conditioner cause you were always cold. I enjoyed all the places we all went. I have such great memories of going to the wineries. I still remember visiting you & Bett in Penn. and I had opened the window and you came in and said S--t who opened the window. I pretended to be asleep. I remember how you gave me & Sherry the lecture on how to hang socks. I still can't believe you are gone and not coming to Florida this time. You left a lot of heartbroken people.
Your friend,
Deb

“ Being as close to the Reese family as I have been over the years, David was like part of my family to me. I hold the last time I saw him in Florida and how happy he was to be down there fishing and being warm. I will hold that in my memories. I know how heart broken the family is and I send strength and love to you all. Love,jacqui

“ We will truly miss Brother Dave! We always looked forward to his trips down here to Florida to stay with us! Dave and I, our trips over to Canaveral to see the launches- oh, how he loved those! Our beach adventures, boating trips-it goes on and on...Eric, Amber ,and Tyler adored you-you were always so much fun to be with, including your crazy attire :) Words can't express how much I am going to miss you, brother, but my love and memories are forever in my heart! Until we see each other again, I Love You Forever and rest in Peace with Mom and Dad and KimoSabe :)
