

Floye N. Shaner

August 21, 1941 - April 30, 2020

Floye N. Shaner, 78, of Hughesville, died Thursday, April 30, 2020 at her home.

Born August 21, 1941 in Muncy Valley, she was a daughter of the late Willis and Mabel (Chestnut) Myers. She and her husband, Ned K. Shaner, would have celebrated 63 years of marriage on October 23, 2020.

Floye attended the former Sullivan Highland School, Sonestown, and spent her life as a loving, guiding, caring, wife and mother. In her spare time she enjoyed cooking, baking, gardening and preserving the harvest. When Mother's Day would come around her children would usually get her flowers which she would tend to and sit on the porch to enjoy during the summer afternoons and evenings.

She enjoyed feeding the hummingbirds and would do so all summer long, often having to refill the feeders more than once a day. At one point she had over 25 zooming in and out around the picture window, providing her with hours of entertainment. Floye enjoyed going to carnivals and visiting with family and neighbors. She also enjoyed walking; walking two miles a day for over 30 continues years. On one occasion Ned had to follow her with the car, lighting the way at 3 a.m., so she wouldn't miss a single day.

Surviving, in addition to her husband, are four daughters, Rhonda C. (Leonard) Minier of Unityville, Lisa L. (Kenny) Statts of Muncy, Lori F. (Billy) Miller of Hughesville, and Nedra N. (Gerald Swank) Burkhart of Muncy Valley; two sons, Rodney L. "Pud" (Sue) Shaner and Nathan K. (Brandy) Shaner, both of Hughesville; two sisters, Virginia (Wayne) Arthur of Hughesville and Rebecca (Joe) Wisniewski of Philadelphia; two brothers, Gordon (Shirley) Myers of Unityville and Vaughn Myers of Muncy Valley; 10 grandchildren; and 10 great-grandchildren.

In addition to her parents, Floye was preceded in death by a sister, Shelby Kepner and a grandson, Albert M. Burkhart.

Funeral services will be held privately at the convenience of the family with burial in Mt. Zion Cemetery.

Arrangements have been entrusted to McCarty-Thomas Funeral Home, Hughesville.

“ Prayers are with your family in the loss of Floye! She was such a dedicated person and caring person. When I saw Floye's obit in the paper I began to laugh and think of the incident mentioned in the paper about her doing her 2 mile walk with Ned following her so she could see to walk, and Ned was dedicated enough to do that before he had to leave for work. It seems that morning she arrived at Ferrell School and it was Pud's class trip to Penn's Cave and other points of interest. Floye was one of my Grade Mother's that helped on that trip. She informed us that she got her walk in before coming that morning. I couldn't imagine how many husbands would drive behind their wife so they could get their daily walk in at 3 am before having to leave for work himself. Remember all those great incidents that have happened throughout the years and laugh with the great memories. Let them sustain you as you think of her through the years. I first met Floye when she would spend time with Shelby for her summer vacation on 3rd street when she was a teenager.

“ Uncle Ned and family,
Aunt Floye will always hold a special place in our hearts for being such a great mom, wife, sister, daughter, and aunt. Beyond the talking and laughter, Floye will always be remembered for caring so much for others, preparing homemade meals, making birthdays special, providing family hair care, and driving many family members to their appointments. The daily walking and household chores seemed to keep Floye in shape for one of my favorite memories. A few years ago when I visited on her porch among all the beautiful flowers, I was impressed with how Aunt Floye was bopping around in her cut-off Levi's jean shorts. We can all only hope to have legs like that in our mid-seventies! Keeping you all in thoughts and prayer during this difficult time. With love and sympathy, Nettie, Todd, and Linzy

“ We will always remember our last visit to my dear sister, Floye. We would stop to see her and Ned for our annual visit with our kids and grandkids, around New Year’s Day. This year we sang Christmas carols to her, and to our surprise, she joined in with us. What a heart-warming experience that was to see her remembering those carols learned from years ago. I was filled with so much love for her as the tears streamed down my face. We will all miss her so much. What a joy-filled spirit she possesses. And yes! I said possesses! She lives on, and we will be reunited with her once again, if only we believe in Him who has redeemed us! Dear family, if there are any of you who haven’t asked Jesus into your heart, the time is now. Please surrender to Him. We love each of you and are lifting you up in prayer at this most difficult time. May our Lord surround you with His comfort and love and give you a peace which passes all understanding. With much love and affection, Sisier-in-law and Aunt- - - Becky 🙏❤️❤️❤️
