“ Dear Mike, Mark, and Sandra. Sorry to hear of your dads passing. I have many memories of being at your house/yard playing when we were all a little younger. One memory I have is of that big tree with the sweet yellow cherries that used to be in your back yard. Now I have to pay big bucks for those style cherries when you can find them. Hope to meet up with you sometime when I am in Muncy. Bryce Hall

“ We sure enjoyed the visit with Jack and Martha on her porch the other week. Talking about the hunting, with Charley and the old times around Muncy. Jack was a great man and always had time to stop and chat no matter where he was. Her will be missed by his loving family and many friends.

“ My heartfelt condolences and sympathy are extended to Jack's family during this time. Jack was such a beautiful man inside and out. In his presence he lit up the room. He would tell stories to make you laugh until your belly hurt. I had the privilege of seeing him be a loving husband, father, grandfather, great-grandfather, and friend. You could tell he loved his family more than anything else in the world. The world will miss a man like Jack and the world needs more of them. I know every time I pass a VFW, or legion I will be thinking of him dancing on the dance floor which he loved so much, or see a turkey in a field I will think of this man. Such a beautiful soul. R.I.P.  
Jack "John" Schneider.
