“ Jeannie,  
This is Bob Morazes, I was the best man for your wedding, and I have searched for Joe for years but never found him in New York. Now I know why.  
I'm devastated to finally found him, a tad too late.  
I'm glad you guys stayed married all these years, and wish I could have found your earlier.  
Hardly a year goes by that I dont recall the fun we had in Forrestville, and the adventures Joe and I had at Pax River.  
He was a GREAT GUY, and I'm surprised he never made it to the State police.  
I remember all the work he went through to grow that last 1/2 inch to pass the entrance requirement.  
He also made me a chute bag. Its been around the world with me and i use it still.  
I am so sorry for you loss.  
Give me a call, I'm down in Virginia now, and would love to reminisce.

“ I just heard of Joe's passing. My late husband and I met Joe back in 1991 when he was with Allsates. We would run into him often at Sears and Lowe's. Always a great smile. Many an interesting conversation the three of us would have. He will be missed. Perhaps Joe and my Chaly are continuing their conversations and story telling. My deepest condolences to his family.

“ Dear Jean, Mike and family our sincere condolences. We will miss Joe as all those who have known him will. Joe was a really great guy. He always had a smile and a good word to share. He was a straight shooter with a big heart, always willing to help someone in need. Joe would call out of the blue and share news of his latest project and what he was planning next. We will miss sitting at the table with Joe, his hands behind his head, big smile on his face telling where he and Jean were going for the winter. We always learned something in conversations with him when he shared some wisdom and entertained with a joke or two. We wish strength to cope with your loss. Another star in the sky

“ From the day we met I knew Joe was one of a kind. As our friendship grew over 40 years, he kept us redefining the word unique. If everyone in the world could be given just a small amount of his spirit, what a wonderful world it would be.

I'll miss you yet keep you with me the rest of life, my friend.

“ Norma and I are so sorry to hear of Joe’s passing. We wish to express our greatest sympathy to you and your family.

After reestablishing our friendship, we have enjoyed talking and seeing Joe and you over the past few years. I remember well the day he knocked on our door with the truck and camper in our driveway. I was on one end of the house and Norma yelled for me to come and see who was here. Before I took two steps Joe laughed and I immediately knew it was my old friend from PA. What a great day.

We had some great times with the both of you and son Mike when we were living in LAM development.

I remember the soccer coaching, fishing, setting up the above ground pool and just talking and relaxing on the back deck.

Joe was always available to help when anything needed to be done and never asking for anything in return. Always a smile on his face for all those he met.

A GREAT GUY and we will miss him.

To you and your family God’s Hope Peace, Love and Mercy

“ So sorry to hear about Joe. Our thoughts and prayers are with his family. I meet Joe when I was 16 when I got my first car insurance in 1978 and stayed with him until he retired. He was a wonderful guy, always had a smile on his face and a story to tell. He even helped me pay my insurance when I was young when money was tight. I will always remember what a good man he was.

“ To Joe's Family,

I used to work with Joe in the tool department at sears, but he also has known my family (the Bangharts) for many years. Some of my fondest memories from working at Sears are the ones when I worked with Joe. I could chat with him for hours and always be entertained. His spunk and humor will never be forgotten. Simply put, he was fun to be around and I wish that it hasn't been as many years as it has since I've seen him last. My husband Adam and I send our thoughts and prayers to you all.
