“ Ned was certainly one of a kind. We always had many things to discuss when we would cross paths, mostly hunting, fishing, or archery. Very few have his passion for the outdoors and life. To me that is a treasured gift, it makes us unique and gives us an inner peace that no one can ever take away. Ned had the gift for sure!!

“ Ned will surely be missed. Whenever we were home in Hughesville, I always looked forward to attending the Methodist Church with my parents hoping also to have a chance to visit with Ned. We always traded hunting and trapping stories which were fun and memorable. A fine gentleman and friend.

“ Pam and Family,
Very sorry to hear of the loss of your dad, "Mr. McClintock". I remember him being our principal at Wolf Elementary and we all liked him and were sad to see him leave. In my early years of job hunting, I followed his lead and tried to get a job at PP&L but was unsuccessful as I didn't begin to have the years of educational experience he had.
May your fun and loving memories of him be a comfort to you now and in the future.

“ My thoughts and prayers are with the McClintock family at this difficult time. Mr. McClintock hired me in 1977 after much inquiring about a teaching position. I'll never forget him saying, " Linda, if I had a job I would give it to you!" Fortunately, a position opened up and I was hired although disappointed when he left as principal. What a wonderful man he was and surely will be missed.....

“ Dear McClintock family,
It was so saddening to hear of Ned's passing. What a great man, father, grandfather and husband he was in addition to a great community member. His life touched so many others in such a positive way and that is quite a legacy to leave. He truly will be missed. God Bless you all.

Our deepest sympathy to the McClintock family. Ned was a wonderful man and a respected professional and community member who touched many lives including ours as our elementary principal and a principal Karen taught under. He always took the time to personally greet people and "catch up" on life events. Ned will be greatly missed! May God grant your family strength and peace.

“ Dearest family of the most gentle Godly giant I have known, my thoughts are with you. The last time Ned and I spoke it was in prayer. I prayed for him and he prayed for me. I have never greeted or have been greeted Ned without a "God Bless you and thank you." Joan-what an honor to know you both. Such a Godly couple to plant seeds in many many lives. There was a Sunday that I was leading the service at Christ church and upon exiting, Ned advised me I should be prepared to go buy a lot of shoes and I asked why. With that famous grin he replied, "because you stepped on a lot of toes this morning and I loved it." Tears are falling as I will miss him, but oh what a nice friend for our Father in heaven to have by his side. God Bless you and thank you Ned.
